

## Welcome to 67 Biltmore Downtown Eatery + Catering

67 Biltmore opened in May, 2015 under the ownership of Adam & Emily Thome. Longtime employees of Laurey's Catering, the couple began their business in that same cherished sunlit space. The name "67 Biltmore" is simply a nod to the great historic building where the couple has spent many years engaging with the community. 67 Biltmore is honored to continue doing business in downtown Asheville and looks forward to the future.

When it comes to the food we make and serve, in many cases, we know the farmers and their farms. This is a point that has always been very important to us over the years. We rely on these longstanding relationships to help us source the produce, meats and seafood we need for our customers. We are very open to menu suggestions and ideas. We enjoy trying new recipes and experimenting with different cuisines.

We recycle and compost everything possible and try to conduct our business in the most sustainable and environmentally conscious way possible.

Whether you're hosting a fancy dinner party or feeding the folks in your office, we are available for both deliveries as well as full service catering. We also host private events in our "Gathering Room" and we offer an accommodating space for everyday meetings in our Eatery.

Additional sternos will be \$5 for a set of 2 each time you order more. Please ask for Additional Presentation Options such as Reusable/Recyclable Caterware.

For Full Service Catered Events we provide our own Serving Trays, Platters, and Serving Utensils. Please ask about Rental options for flatware, dishware, glassware and linens.

**Disposables:** We can add compostable disposables or clear plastic disposables to your order if you like. The charge for disposables ranges from \$0.75 to \$2.50 per person depending on the type of menu you would like.

**For Event with Service Staff:** The hourly charge for one of our Captains is \$30.00. These are our most experienced servers that are responsible for managing the other staff members as well as supervising all aspects of the event. We charge \$25.00 per server per hour for the Lead Staff, Cooks and Bartenders, \$20.00 per hour for basic party staff. The charge for service on each party starts when the staff arrives here at our shop to collect all the food, beverages, and all other necessary materials for the party and concludes when the staff has returned everything back to the shop at the conclusion of the event. Staffing for events is based on the needs of the event.

**Beer, Wine and Liquor:** We can help you decide how much to purchase and are happy to provide mixers and all necessary accompaniments. The cost for mixers and drink garnish is \$3.25 per person. We are not allowed to serve a party with alcoholic beverages unless we are also serving the alcohol (i.e.—we must provide the bartending service). For the details on this, please see our catering agreement. We cannot provide beer and wine on deliveries.

**Event Planning/Transportation:** For parties where we provide service staff, we charge 10% of the total food and beverage to your final invoice. This charge is applied to the time taken in the planning of the event as well as any transportation charges incurred for the event.

**Rental:** We will be happy to give you a quote on rental items for your event. Please note that on all events where we arrange rental, we must also provide service. There is a 25% upcharge when we organize the rentals for you. If we are not providing service we will be happy to refer you to a local rental company.

**Set Up Only:** We can set up your party without service for a charge of \$25.00 per hour. This brings a server to your event for set up just as we would if we were serving the event. Once the food is set the server leaves. There is a minimum charge of 4 hours.

**Contracts:** All events that we staff with service require our Special Events Catering Agreement to be completed and on file with the event paperwork.

**Deposit/Payment information: All deposits are non-refundable.** A non-refundable deposit of 10% will hold a date for you. We will need a guaranteed guest count two weeks prior to your event. At that time we require a deposit of 75% of the estimate for your event. We will charge the balance of the event the next business day following the event. If you do not wish to put the balance on a credit card, please make prior arrangements with our bookkeeper. For any orders, deliveries, or pickups over \$500.00 we will need a credit card number as a guarantee for the payment of the event. We accept Cash, Checks, Visa, and MasterCard.

**Cancellation policy:** In the event that a party cancels (for inclement weather, etc.) we have the following policy: A party which cancels at least two days ahead of time and reschedules will be charged only for items that are perishable and which have already been ordered and cannot be returned. A party which cancels at least two days ahead of the party and does not reschedule will be charged 100% of the estimate for the party. A party which cancels on the day of the party will be charged 100% of the total estimate of the party.
